 - How to find volunteer opportunities

GivePulse website

The screenshot shows a web browser window displaying the GivePulse profile for the University of Arkansas Volunteer Action Center. The browser's address bar shows the URL `uark.givepulse.com`. The page features a header with the University of Arkansas logo and navigation links: "Get Involved", "List For Free", "About", "Sign up", and "Log in".

The main content area includes a banner with three images: a group of students holding a large teal 'V' logo, a purple graphic with the text "VOLUNTEER ACTION CENTER", and a group of five people in blue and pink shirts. Below the banner is the organization's profile, which includes the University of Arkansas logo, a "Become Member" button, and an "Invite" button. A green "ADD IMPACT" button is also visible.

A navigation menu contains the following items: Home, People, Events, Internships, Subgroups, Affiliates, Classes, Impacts, Documents, and Contact. The "About" section is expanded, showing a description of the organization and social media links for the website, Facebook, and Twitter.

The "Point Leaders" section is also expanded, displaying a list of top contributors:

Name	Points
Morgan A.	8450.00 pts
Lily C.	839.00 pts
Marcus H.	758.25 pts
Samantha A.	543.00 pts
Eric M.	528.00 pts

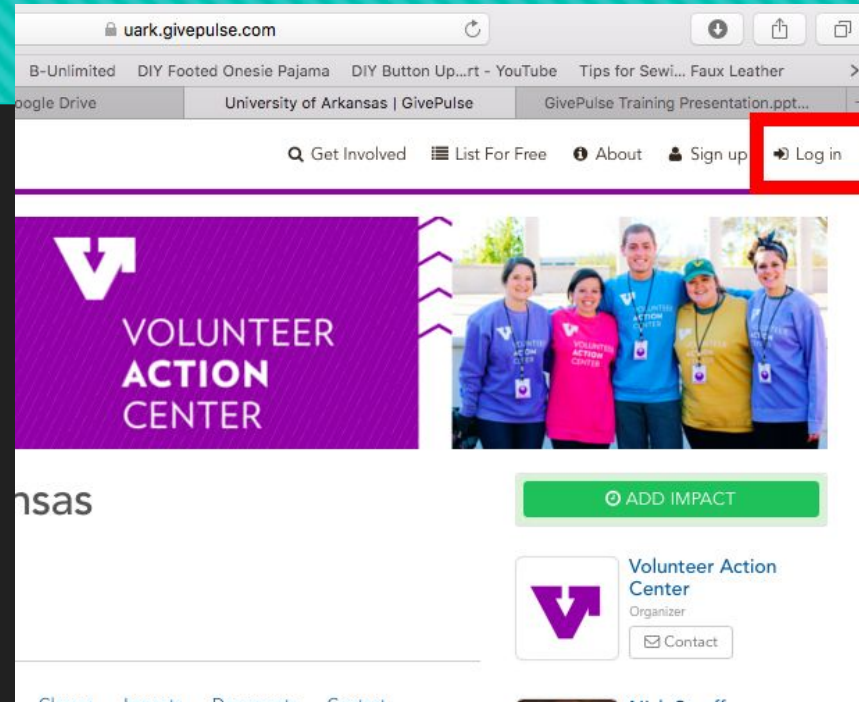

At the bottom of the page, there is a partial view of another image showing a group of people outdoors.

IMPORTANT:

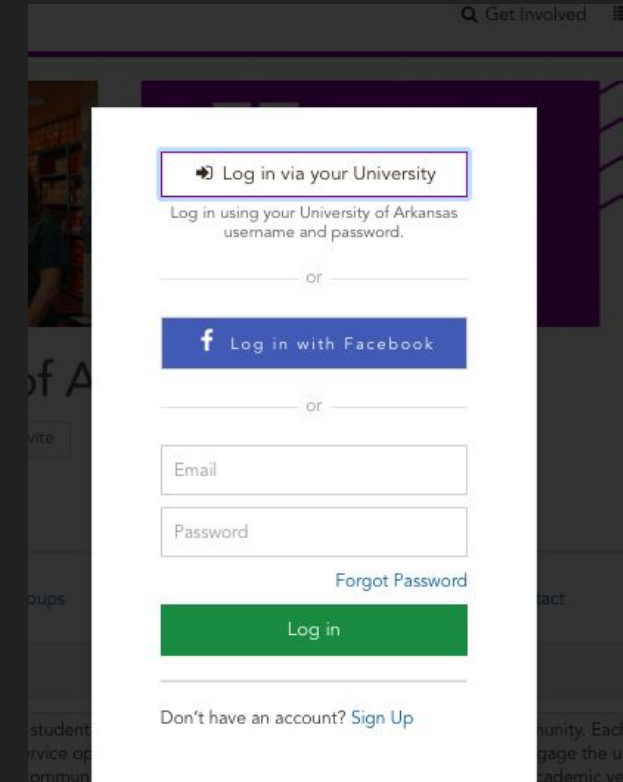

- It is NOT www.givepulse.com!
- You must go to www.uark.givepulse.com

Logging On:

- Find the "Log in" button ->

- click "Log in via your University" ----->

And now.....

- The world of service is yours!
 - Search groups you're a part of
 - Search buzzwords
 - "youth", "poverty", "education", etc.
 - Search non-profits
 - Search your friends
